It is very important for both you and your fellow travelers that you are fit enough to be able to fully enjoy our Japan tour. All tour participants must be in good health with good mobility, have at least average/normal upper-body strength and be able to comfortably hold both hands overhead. Additionally, you must be able to (check):

- 1) walk for 1 mile per day at a moderate to slow pace
- 2) keep up with the group at all times
- 3) stand for a reasonable length of time
- 4) walk up and down steep slopes
- 5) get on and off trains with steep stairs unassisted
- 6) move your luggage for a short distance if required

If you are 80 years old or older, or have restricted mobility, it is likely that you will find our tour challenging. You may have to miss certain daily tour(s) and may not get the full value of the tour. Before registering for the tour, please contact us to discuss your situation and the exact physical requirements of the tour. While we will do our best to reasonably accommodate the physical needs of all group members, we reserve the right to refuse tour registrations if we feel that the requirements of the tour are too demanding for you and/or if we can not reasonably accommodate your condition.

If you are pregnant, have recent, recurring or existing injuries, have a serious musculoskeletal disorder, epilepsy or a seizure disorder that does not permit you to drive, have hemophilia or are currently taking high doses of a blood thinning medication or anticoagulant, have a known health condition that requires immediate medical attention in the event of an emergency, or if you are under the influence of alcohol, illegal drugs, or prescription medications that may limit your abilities, you can not participate in the tour at this time.
